

BFIT selling South End campus

BY SUE O'CONNELL

The Benjamin Franklin Institute of Technology (BFIT) is selling its South End campus to raise funds

to expand in another location in Boston, according to an article in The Boston Globe.

The BFIT campus consists of three buildings on approximately one-acre at Berkeley and Appleton

streets.

President Anthony Benoit told the Globe that BFIT hopes to be in its new home by the fall of 2022. The school was founded in 1908.

Bring Back the Funding for Blackstone School

SUBMITTED VIA CHANGE.ORG

Posted by Laura Perille, Nate Kuder, Jamel Adkins-Sharif, Michael Loconto

With the new proposed budget for School Year 2019-2020 the Blackstone will be facing yet another big budget gap. If this projected budget is approved it will take away approx. 500,000 from the existing budget, as the school transitions from 'Innovation status to 'Schedule A'.

The following positions will potentially be cut:

- 1.1 Multiple Disability teacher
2. School Counselor

3. 2-3 Inclusion Strand Coordinators

4.1 Family and Community outreach coordinator

5. 2 Community field coordinators

The District's funding formula does not take into account the complex needs at the Blackstone School. Over 90% of the Blackstone's students are designated as "High need" by the district. In addition, the Blackstone has been out of compliance for our English Language Learners (ELLs) for years. The plan

the Taste of South End Host Committee. "The money raised by Taste of the South End supports AIDS Action's vital work with people living with HIV as well as those who are vulnerable to infection. The average client of AIDS Action has an annual income of less than \$10,000 a year, and AIDS Action's services make it possible for many of them to remain healthy while dealing with life's other challenges."

"We always look forward to Taste of the South End. Mistral supports Taste every year and in March we'll bring along our newest restaurant concept, Bar Lyon," said Mark D'Alessandro, general manager of Mistral. "We look forward to seeing friends old and new at Taste of the South End where we'll enjoy delicious food from the many talented chefs and restaurants in the Boston area while helping raise critical funds for AIDS Action and the battle of wiping out HIV/AIDS forever."

A partial list of participating eateries includes Banyan Bar + Refuge, Bar Lyon,

Bar Mezzana, Boston Chops South End, Brownstone, Doña Habana, Five Horses Tavern, Flour Bakery + Cafe, FoMu, Formaggio Kitchen South End, Fuji At Ink block, The Gallows, Haley House Bakery Cafe, Lion's Tail, Masa Latin Kitchen + Tequila Bar, MIDA, Mistral Restaurant, Picco, Precinct Kitchen + Bar, Shore Leave, South End Buttery, SRV, and Whaling In Oklahoma. Diageo, official liquor sponsor, will be sampling creative cocktails using their brands Ketel One Vodka, Don Julio Tequila, and Bulleit Frontier Whiskey. Sponsors include Harvard Pilgrim Health Care, Diageo (Ketel One, Don Julio, and Bulleit Whiskey), and Whole Foods.

Taste of the South End also features a silent auction, mystery bag and a wine toss game, where guests can find a huge array of fabulous prizes including trips, food and wine experiences, and tickets to upcoming shows and events.

for FY20 finally provides adequate funding for ELLs, but at the expense of Special Education (SPED) students.

We should not have to choose between our ELLs and our SPED students. Both

programs must be fully resourced. Schools must not be put in the position to make deep cuts that affects multiple high needs strands disproportionately. This is not the choice in our suburban counterparts, this should not be a choice in the city of Boston.
