FESTIVAL AREAS

Wellness Zones, presented by Northside Hospital

Saturday, October 12

11:00 AM – 8:00 PM

Sunday, October 13

3:00 PM – 8:00 PM

Located by the Coca-Cola Stage and our Family Fun Zone.

As an outdoor event, Atlanta Pride recognizes that warm weather conditions may impact sensory experiences. We know that having a place to take a break and a respite from the heat and sounds can be critical for those with sensory sensitivities and can make the difference for someone wanting to attend Pride. This year's Wellness Zones, presented by Northside Hospital, are available for those needing haven, respite, and a place to decompress and relax.

The wellness tents are enclosed to allow guests to enjoy the cooler, dark space, which is surrounded by curtains to create shade and separation. At the same time, our community partners with Compassionate Atlanta welcome you with noise-canceling headphones, sensory and fidget toys, and a space to calm yourself.
